

# —Welcome Home—

Greetings! We're so glad you visited St. Julian Eymard Catholic Church. We believe we live in a great time to be serving Jesus, with even greater ahead! We trust that your visit here was spiritually enriching and that you were warmly received. We certainly enjoyed having you with us.

We see God doing extraordinary things among the extraordinary people of our community and would love to see you join in also. We know that visiting any new church for the first time can feel awkward. We think you will discover many wonderful people here, and as a small church you can fit in quickly if you decide to return.

Please prayerfully consider our church as a family you would like to enjoy worship and fellowship with as we continue to grow. We truly believe we are a "PLACE TO BELONG."

For more information about our church, activities, staff, ministries or services, you can check out more about us at [www.StJulianEymard.org](http://www.StJulianEymard.org) or call or email the parish office (847) 956-0130, [info@StJulianEymard.org](mailto:info@StJulianEymard.org). We look forward to seeing you again soon!

P.S. We've included a St. Julian *Let's Get Acquainted Card*. If you would be so kind as to give us some feedback that would be great. We're always looking for better and more effective ways to meet people's needs. Thanks!

## — In Their Own Words —

**Don't take our word for it. Check out these Witness of Faith Stories.**

“ I grew up in a different religion. However, after meeting the woman who would become my wife, I began to attend mass with her and appreciate the Catholic devotion of mass and the traditions of the faith. I believe my journey of learning about God and Jesus has made my life better. St. Julian has welcomed me and my wife into the community with open arms and uplifting music.  
—Terry B. (age 52)

“ In 2017, a friend invited me to a youth group meeting even though I had never attended anything at St. Julian before and didn't go to mass even with my family often. Last summer, I attended CHWC and realized I was missing a connection with God, but also realized it was something within my reach. I now know God has provided for me even when I wasn't aware of it and my goal is to honor and praise God each day.  
—Kelly G. (age 17)
