DIVISION OF PLASTIC & COSMETIC SURGERY

Victor G. Cimino, MD, FACS

A leader in Plastic Surgery

Dr. Victor Cimino is one of the most highly trained board-certified plastic, reconstructive, and cosmetic surgeons in the Midwest. Dr. Cimino's skill and expertise is a result of his own rigorous training and the many years he has spent training the next generation of surgeons. It is this accumulated knowledge and expertise that makes him a distinguished practitioner who inspires trust and confidence in patients considering surgery.
