Dear Friends,

As we approach the upcoming 2023-2024 school year, I would like to take a moment to encourage those of you with school-aged children to consider enrolling them in our parish school, Queen of the Rosary School. Our school offers an education that is rooted in faith, guided by Christ's teachings and focused on developing the whole person.

Our school provides an opportunity for your child(ren) to realize their academic potential, learn moral values and grow in a caring community. We believe that education is not just about imparting knowledge but also about nurturing the heart, mind and spirit. That's why our curriculum is designed to educate the whole person—intellectually, socially, emotionally and spiritually.

At Queen of the Rosary School, we believe that Christ is the ultimate model of how to live our lives. We teach our students to emulate Christ's example of love, kindness, compassion and service to others. Our curriculum integrates the teachings of Christ into all subjects, helping students to develop a deeper understanding of their faith and a stronger connection to God.

We also believe that our school offers a unique opportunity for children to learn and grow in a caring community. Our teachers, staff, parents and parish work together to create a supportive and nurturing environment where every child is valued and respected. Our dedicated teachers and aides ensure that each student receives individual attention and personalized instruction.

Finally, I would like to emphasize that our school provides an excellent education. Our students consistently score well on standardized tests, and we often hear from high schools how well prepared our students are for higher education. Our curriculum is rigorous, challenging and designed to prepare students for academic success and lifelong learning. But, don't just take my word for it. Visit QRSchool.org to read parent testimonials.

I hope you will consider enrolling your child(ren) in our parish school for the 2023-2024 school year. It's an investment in your child's future, one that will pay dividends for years to come. Please visit QRSchool.org for more information about enrollment. If you have any questions, please contact our principal, Ms. Kathy McGinn, at (847) 437-3322, or set time on my calendar here: go.oncehub.com/frdan to speak with me directly.

Enrollment for the 2023-2024 school year is open now: [grschool.org/enroll now](https://grschool.org/enroll_now). Thank you for your consideration.

Blessings, Fr. Dan
