## A MESSAGE FROM A QUEEN OF THE ROSARY SCHOOL PARENT AND ALUM

*Here at Queen of the Rosary School, the journeys of spirituality and knowledge intertwine seamlessly. Here, you can feel the nurturing embrace of faith in our classrooms and hear the whispers of learning in our hallways. Here, the seeds of faith and wisdom are sown and the roots of lifelong community and formation are planted. As we count down to Catholic Schools week which begins Sunday, January 28<sup>th</sup>, we are pleased to share in this space and on Page 9, stories from current and former students, parents and teachers about their Queen of the Rosary School experience.*

Dear families,

On behalf of Queen of the Rosary School at Our Lady of the Blessed Sacrament Parish, I invite you to join us at our annual Catholic Schools Week Open House on January 28, 2024 (Noon to 1:30pm, following the 10:30am Mass). This is one of our favorite events of the year and provides prospective students and their families an opportunity to tour our school, meet our faculty, staff, and QR families, and explore all that we have to offer!

Catholic Education has been a very important part of my life. I am a proud class of 1986 QR Alum as well as a QR Parent of an 8th grader and 2023 QR Graduate and can tell you without hesitation that sending our children to Queen of the Rosary School was the best choice we have made for our family.

Queen of the Rosary School offers solid academics and an atmosphere where children are nurtured to grow in strong virtues and values that will serve them throughout their lives. We have small class sizes with teachers who truly care about our children and provide individual attention to students. We are so grateful to be a part of the beautiful QR Community of families. Along our 11-year journey with our children at QR, we have made lifelong friendships and have seen our children develop into confident, respectful, and responsible young adults. We are thrilled to see our son in his first year at high school very well prepared for rigorous college prep academics as well as succeeding socially, spiritually, and in athletics. We know our daughter will be equally prepared next year!

There is no doubt that Catholic schools are committed to academic excellence. Yearly studies from the US Department of Education show that Catholic School graduates score consistently higher on advanced achievement tests. Having high expectations in the classroom was an important factor for us when looking for a school for our children 11 years ago, but equally important, a place where our children would begin their preparation to become good citizens, productive adults, and caring individuals. Queen of the Rosary School has been that place for us. QR not only offers superior academics but incorporates spirituality into every aspect of the curriculum and teaches service to others as a core value. In today's world, this is exactly what we need and I am so grateful that we have been able to provide our children with this invaluable gift.

Catholic education is a sacrifice, but I truly believe it is well worth it. Please stop by and see for yourself all the things we love about Queen of the Rosary School!

And if you have any questions, or would like me to discuss my experience with you, please reach out to me—I would love to connect with you!

Sincerely, Cheri Cage

Queen of the Rosary School Advisory Board Member,  
Boosters Club Chairperson, Parent & Class of '86 Alumni

*Please contact our principal, Ms. Kathleen McGinn, at (847)437-3322 or [kmcginn@qrcougars.org](mailto:kmcginn@qrcougars.org) to discover more about the advantages of faith-based, academically-superior education at Queen of the Rosary School. You may schedule a school tour or be connected with a teacher or parent to speak about the Queen of the Rosary School experience!*

**A Powerful Study on the Life of Jesus Christ**

The marvelous treasures of the Catholic Faith—the Eucharist, Mary, the saints, and the Creed—are all centered on a single figure: Jesus Christ. Jesus is more than a historical or theological figure. He is our **Savior**, our **Redeemer**, our **Lord**, and our **God**. While many of us already know a lot about him, how well can we say we **really know him**? Filmed on location in the Holy Land, **Jesus: The Way, the Truth, and the Life** is a new and fresh look at Jesus—who he is, what he is really like, what he taught, and what he did for our salvation. This encounter with Christ will inspire and empower you to center your entire life on him as you **come to know and love him** in an ever-deeper and more intimate way. **ONCE A COUGAR, ALWAYS A COUGAR...**

Hello, my name is Mary Francl and I was a member of the Class of 2022 that graduated from Queen of the Rosary School. When I first came to Queen of the Rosary as a kindergarten student, I was a very shy girl who did not like talking to people. But, as the year went on, with the support and encouragement of my teacher, I started to branch out and talk to my classmates.

That year, I made my very first friendships that ended up lasting through 8th grade, and even beyond. A few years later, as a 4th grader who had previously only played softball and did competitive dance at a local studio, I was now eligible to represent my school on the court or the field. I was given the chance at QR to play basketball, volleyball, and/or softball. I ended up playing all three sports that year. But, where I found my true passion was volleyball. Starting in 4th grade, I was able to represent my school in a sport that was new to me and one that would allow me to grow in ways that I did not know were possible: physically, mentally, and spiritually.

Before each game, our teams had a little ritual that consisted of praying and asking God for the strength to be the best teammates we could be and the grace to play to our potential. Volleyball provided me with close friendships with my classmates, that I hadn't initially experienced. I have several wonderful memories from my time at Queen of the Rosary. My two favorite memories from my middle school years come from 8th grade.

The first memory was our 8th grade volleyball team making it all the way to the semi finals, the farthest a QR volleyball team had made it in a few years. Although we lost in the semi-finals, the game we needed to win to go to the championships, I had become very grateful of the journey that I was able to experience with my best friends.

The second memory was when we went on our 8th grade field trip to Milwaukee. 2022 was the year after Covid restrictions had relaxed, and we were finally able to go on a field trip as a class. Ms. McGinn had allowed us to charter a bus to take us to Milwaukee and to do some really fun things once there, like go to the zoo. Although I had to leave early, I was very grateful and excited to go on this field trip, since we couldn't do it the year before.

In sharing these memories, I am providing a glimpse of the real QR experience. Queen of the Rosary School has provided me with the fundamentals to live a happy productive life, where I can become successful and continue in my faith. Without attending Queen of the Rosary School, I would not be where I am today, a sophomore at St. Viator High School who succeeds in academics and sports. St. Viator is also enabling me to continue to grow in my faith journey, which started at QR.

So, thank you, Ms. McGinn—and all of the other QR teachers that had a meaningful impact on my life—for providing me with a strong academic foundation, a safe and nurturing environment to come out of my shell, and the ability to develop the skills of a sport that I hope to play in college. Along the way during my nine years at QR, I also developed some lifelong friendships as well as some very joyful memories that I feel so fortunate to have.
