

**OUR LADY OF THE
BLESSED SACRAMENT
PARISH**

Summer Suppers

For more than a decade, faith-based and other compassionate organizations have been teaming up to host **Summer Suppers** from **May to September** each year. This initiative is designed to provide nourishing, home-cooked meals for neighbors facing homelessness or food insecurity. At **Our Lady of the Blessed Sacrament Parish**, we also wish to invite others who may need a little extra help, such as **seniors, widows, widowers and single parents** to join us. Our aim is to foster a sense of **community and support** by offering a **warm and inviting environment** where everyone, regardless of circumstances or religious affiliation, can enjoy a **balanced and wholesome meal**. Join us as we come together to share **not just food, but also companionship and a caring community** during the summer season.
