## FROM THE PASTOR'S DESK

*This last weekend at Queen of the Rosary Church we were very blessed to have Fr. Eugene O'Donnell celebrate the 10:30am Mass. Fr. Eugene is a recently ordained priest for the Diocese of Dallas, but his journey of faith began with us in Elk Grove Village nearly 65 years ago! Below is a brief biography that he shared with me. Please remember to keep Fr. Eugene in your prayers, and continue to pray for an increase in vocations to the priesthood here in our local Church!*

**-Fr. Dan**

—

I was born 3 August and baptized at Queen of the Rosary on 28 August 1960. My family moved to Irving, Texas, the following year. Although it was my parents' wish for me to attend Catholic school through the twelfth grade, despite their best effort I transferred to a public school. Surprisingly, my seventh grade CCD teacher inspired me to be a priest, but I let the actions of some of the clergy and religious negatively impact my faith. After completing high school it would be ten years before I set foot in church and thirty years before I went to confession.

During my young adult years, the Catholic Church was nothing but a distant memory. I cohabitated with my girlfriend, and we were civilly married two years later. We had two daughters and remained married for nine years. I then raised my daughters as a single parent for ten years. Although I had no desire to return to the Church, due to my mother's constant pleading I tried to raise my daughters in the faith. All we ever did was attend Mass on Sundays and say grace before meals. They did attend CCD for a while, but because I did not know my faith, nothing they learned was reinforced at home.

While raising my daughters I was in mid to upper management with different transportation related companies. After they were grown and self-sufficient, I had the opportunity to tour with Broadway shows. It was during that time I had my conversion and returned to the faith. During my time in the seminary, I realized that God never intended for me to be a husband. God's plan for my life was the priesthood. He waited patiently as I made my way to Him, and He watched over my daughters then and continues to do so till this day. Our Lady played a significant role in my conversion as well, and I am very grateful to be able to say Mass here where my journey of faith began. God is always active and working in our lives. Please pray for me and know that I will pray for you.
