### Our Mission

Under Mary's mantle, and with the guidance of the Holy Trinity, Our Lady of the Blessed Sacrament seeks to share God's love by celebrating the Sacraments, proclaiming the Gospel, and serving the needs of all His children.

# OPT IN FOR OUR KIDS

Stronger Together. **Better for Illinois.**

## A federal tax credit scholarship program for K-12 Education

- **Benefits ALL types of schools.** Can add up to almost **\$2 billion** in new resources to public and private schools. **It doesn't take from existing funding.**
- **Supported by Illinoisans.** Nearly 7 in 10 Illinoisans support opting into this program.
- **Keeps Illinois dollars here.** If Illinois doesn't opt in, it has been reported that people will donate up to \$1 billion to schools in other states to receive the tax credit.
- **Opportunity** for public and private school families to work together for a common goal – **to support ILLINOIS kids.**

**It's a tax credit. It's voluntary. It's popular. It works.**

### HOW IT WORKS

- Taxpayer contributes to a scholarship granting organization which uses the funds to support scholarships for K-12 students.
- Taxpayer receives tax credit for their donation.

### WHO BENEFITS

- Students from ALL backgrounds
- Kids in public, private and faith-based schools.

## LEARNING BEYOND *the screen.*

At Queen of the Rosary School, technology has a place in the classroom, but it doesn't take the place of traditional learning. While our students have access to iPads and Chromebooks, our teachers use technology intentionally, as a tool to enhance a lesson rather than replace it.

You'll still find our students opening textbooks, putting pencil to paper, reading physical books, working through problems together, creating hands-on projects, and learning face-to-face with their teachers and classmates. We believe there is tremendous value in those experiences, especially in a world where screens are already such a big part of our everyday lives. Sometimes the best tools for learning are still a great teacher, a good book, a pencil, and a curious mind.
