### Our Mission

Under Mary's mantle, and with the guidance of the Holy Trinity, Our Lady of the Blessed Sacrament seeks to share God's love by celebrating the Sacraments, proclaiming the Gospel, and serving the needs of all His children.

My dear brothers and sisters,

The year was 1571, and the Christian West was in a state of panic. The Ottoman Empire had established an Islamic Caliphate, and the world was under attack. The Caliphate moved West with astonishing and brutal precision, winning battle after battle. It left behind a reign of terror, killing or enslaving all those who refused to bow the knee.

In March, Pope St. Pius V established the Holy League; an alliance of Catholic countries which banded together to make one last stand. They did not have long to wait.

On October 6th, news arrived in Rome: the ships of the Holy League, stationed in the town of Lepanto, Greece, had encountered the galleons of the Caliphate in the gulf of Patras. On the morrow, a naval battle would be fought that would determine the course of human history.

It is hard to articulate the sheer magnitude of the conflict. The Holy League had 212 ships and 86,000 soldiers. The Ottoman empire had 274 ships and 88,000 warriors. They were outnumbered, and outclassed. On top of that, this was the last major naval battle fought before the 'age of sail.' The ships were galleons... powered by the rowing of men (remember the movie, Ben-hur?!) And of course, the ships of the Caliphate were being powered through the slave labor of captured Christians. Somehow, the Holy League would have to win the battle without sinking the ships and killing the hostages. And if they lost... it would mark the end of Christianity... the end of the world as we know it.

That evening, Pope St. Pius had an idea. A member of the Dominican Order, he remembered that the Blessed Mother had given the Rosary prayer to his spiritual Father, St. Dominic. And so, he had all the churches in Rome to be opened and ordered all the citizens pray the Rosary... to have Mary intercede for victory.

The next day, October 7th, the battle of Lepanto was fought. The Holy League had 13 ships sunk during the battle... 7,000 soldiers killed in action. The casualties for the Caliphate: 20,000 soldiers killed, 50 ships sunk, 137 ships captured... and 15,000 Christian slaves freed! It is an astonishing result, an absolute annihilation that has no reasonable explanation other than divine Intervention. And in the aftermath, Pope Pius established October 7th as a Feast day of the Blessed Mother. On this day, she is honored with two different titles: **Our Lady of Victory**... and the **Queen of the Rosary**!

My dear brothers and sisters, in our daily lives, we have all sorts of trials and temptations... we have our own Caliphates that are seeking to destroy us. We are outmanned, we are outgunned... the situation might seem hopeless. But we have our secret weapon: **we have Our Blessed Mother!**

On October 10th, the pilgrim statue of Our Lady of Fatima will visit our parish. Come out and visit her and spend some time in prayer. During this week, let us all pray the Rosary at least once. Pray for Church, pray for Vocations, pray for a respect of all human life from conception until natural death. Let us flood Heaven with our petitions... and let us entrust ourselves to Mary, that **she might protect us and keep us safe, that she might bring us to her Son.** **Our Lady, Queen of the Rosary, pray for us!**

*In Mike*

THIS WEEK AT  
QR SCHOOL

# KNOWN BY *name*

There is something special about being part of a small school. At Queen of the Rosary School, our students aren't just names on a class list- they are truly known. Small class sizes give our teachers the opportunity to understand each child as an individual: how they learn, where they shine, when they need a little extra support, and when they're ready to be challenged. It means there is time for questions, conversation, encouragement, and the little moments of connection that can make such a difference in a child's school experience.

But being known goes beyond the classroom. Our students are greeted by name in the hallways, cheered on at games, celebrated for their accomplishments, and surrounded by adults who genuinely care about the people they are becoming.

In a world where it can be easy for children to get lost in the crowd, we're grateful to offer something different—a place where every child is seen, valued, supported, and known.

It's one of the things that makes Queen of the Rosary feel like home.
