Please pray for lives lost to violence and natural disasters.

NARRATIVE FROM FINANCE COUNCIL

Fiscal Year Ended June 30, 2026

The Finance Council has reviewed the financial results of Our Lady of the Blessed Sacrament Parish for the fiscal year ended June 30, 2026. The accompanying statements, prepared from parish financial records and submitted to the Archdiocese of Chicago, provide a comparison with the previous fiscal year.

Our Financial Position

For FY2026, the parish reported an overall decrease in net assets of $470,358, reflecting operating deficits of $323,149 for our Queen of the Rosary School and $110,910 for church operations, along with net capital expenditures of $222,815. These losses were partially offset by $186,524 in extraordinary income, including $84,153 from the federal Employee Retention Credit program, a benefit not expected to recur.

Queen of the Rosary School

School enrollment declined 19%, from 193 to 156 students, contributing to a $205,801 decrease in revenue. School expenses increased $109,575, primarily reflecting higher salary and benefit costs, along with textbook and supply purchases.

Enrollment and financial sustainability remain important priorities. Parish and school leadership are actively collaborating with the Archdiocese of Chicago's Office of Catholic Schools on initiatives to strengthen enrollment and improve retention. Staffing adjustments implemented at the start of the 2026-27 school year are helping to better align salary and benefit expenses with current enrollment, reflecting a proactive approach to supporting the school's long-term vitality.

Church Operations

Including extraordinary income, church operations finished the year with a modest surplus of $3,785, an improvement of approximately $116,000 over FY2025. This result was supported by increased investment income and one-time bequests and gifts. While these contributions are deeply appreciated, they cannot be relied upon to fund ongoing operations.

Sunday and holy day collections declined approximately $15,000, while church operating expenses increased 3%. Careful expense management helped limit the impact of rising costs.

Capital Investments and Reserves

The parish invested $272,815 in necessary facility improvements, including boiler upgrades at Queen of the Rosary and grounds and electrical improvements. A generous $50,000 donation helped offset these costs.

Importantly, OLBS remains debt-free, with net general funds available totaling $1,133,891. However, operating losses required drawing upon parish reserves, underscoring the importance of strengthening recurring revenue.

Looking Ahead Together

Our financial challenges are real, but so are the opportunities before us. The continued vitality of our parish and school is a shared responsibility, and each of us has a role to play.

If you haven't reviewed your parish giving recently, please prayerfully consider whether you can increase your support. If you have school-aged children or grandchildren, consider the gift of Catholic education at Queen of the Rosary School. And all of us can help by living our faith out loud—sharing how Christ, our parish community, and our school make a difference in our lives.

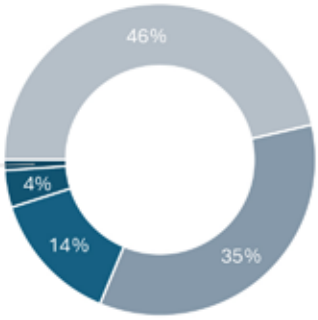

Together, through faithful stewardship and a shared commitment to our mission, we can help ensure that Our Lady of the Blessed Sacrament continues to be a place where generations grow in faith and take one step closer to Christ.

FROM THE ADMINISTRATOR'S DESK

Dear brothers and sisters in Christ,

Thank you for reading through this bulletin on the parish financials for 2025-26. Now that you have gotten this far, I ask you to continue the journey with me just a little bit farther.

As I was reviewing all this information and listening to the advice of my finance council and parish staff... I couldn't help but reflect on a story I heard as a child.

There were six blind men who were escorted one by one into a room that contained a giant elephant. After a brief period of exploration, the men were escorted into a different room, where they described their experience. The first man had touched the elephant's side: he described the animal as a giant wall. The second had touched the trunk: he described the animal as a giant snake. One man touched the leg, another the tusk. The fifth man touched the ear, and the final man touched the tail.

Afterwards, when the men spoke about the elephant, each of them insisted that their experience was the absolute truth; they were incredulous with each other, failing to understand that they were each describing the same animal from different perspectives.

Well dear friends, as we discuss the financial situation of Our Lady of the Blessed Sacrament Parish, it is imperative for us to talk about the elephant in the room. We have endured a lot of changes in the parish, and there are even more changes coming. We are facing a lot of challenges. We don't need to sugarcoat them, but we also don't need to speak of doom and gloom. We just need to recognize them for what they are; an opportunity to do better, an opportunity to be proactive, and most importantly, an opportunity to let God show off His power through our human weaknesses.

This past fiscal year, the Queen of the Rosary school ran a significant deficit for the first time in its history... and it was substantial: ($323,149). There were several contributing factors to this, most notably a decrease in students from 193 to 156. That is a lot of money, and not something to be taken lightly. I am, however, very impressed with our response.

Parish and school leadership have developed a comprehensive, multi-year strategy to right the ship. This strategy includes a revised tuition structure and additional family discounts, staffing adjustments, and the establishment of an Enrollment & Retention Team. Additional efforts include expanded marketing and community outreach, enhanced admissions follow-up, curriculum improvements, and development of a STEAM Lab. The school has also maintained staff continuity and a focus on providing a strong educational experience for students and families through a period of leadership transition. While these initiatives will take time to demonstrate their full impact, they do represent a coordinated commitment to strengthening the school's educational program, growing enrollment, and improving long-term financial sustainability.

From the Church side of the equation; again, there are a lot of challenges. Our Mass attendance is still well below our pre-COVID numbers. I recognize this as my greatest challenge as the new Pastor, and I promise to take it seriously. We are going to be a Teaching parish; one that offers plenty of opportunities to learn about the Faith. We are going to be a Sacramental parish; a parish that celebrates the liturgy well, one that provides the nourishment necessary to sanctify the body and soul of every member. We are going to be a parish of Prayer, one that leads its people into a deeper relationship with Jesus Christ. I encourage you: talk to your friends, talk to your neighbors. Invite them to come back home to the loving embrace of Holy Mother Church.

Friends, as we prepare to consolidate our operations to the Queen of the Rosary site, as we continue our journey forward, please: don't be afraid. Jesus Christ is the King of the Universe; He is the one who is running the show. Please keep praying for the parish, please keep praying for me! And know that I am praying for all of you every single day.

Blessings,

STEWARDSHIP REPORT

Your Stewardship Treasure returned to God for the support of our Parish ministries and His Church.

Thank you for your generosity.
